

(d) *Compensation pursuant to tariff provisions.* No licensed freight forwarder, or employee thereof, shall accept compensation from a common carrier which is different from that specifically provided for in the carrier's effective tariff(s). No conference or group of common carriers shall deny in the export commerce of the United States compensation to an ocean freight forwarder or limit that compensation, as provided for by section 19(e)(4) of the Act (46 U.S.C. 40904(d)) and 46 CFR part 535.

(e) *Electronic data interchange.* A licensed freight forwarder may own, operate, or otherwise maintain or supervise an electronic data interchange-based computer system in its forwarding business; however, the forwarder must directly perform value-added services as described in paragraph (c) of this section in order to be entitled to carrier compensation.

(f) *Compensation; services performed by underlying carrier; exemptions.* No licensed freight forwarder shall charge or collect compensation in the event the underlying common carrier, or its agent, has, at the request of such forwarder, performed any of the forwarding services set forth in §515.2(i), unless such carrier or agent is also a licensed freight forwarder, or unless no other licensed freight forwarder is willing and able to perform such services.

(g) *Duplicative compensation.* A common carrier shall not pay compensation for the services described in paragraph (c) of this section more than once on the same shipment.

(h) *Non-vessel-operating common carriers; compensation.* (1) A licensee operating as an NVOCC and a freight forwarder, or a person related thereto, may collect compensation when, and only when, the following certification is made together with the certification required under paragraph (c) of this section:

The undersigned certifies that neither it nor any related person has issued a bill of lading or otherwise undertaken common carrier responsibility as a non-vessel-operating common carrier for the ocean transportation of the shipment covered by this bill of lading.

(2) Whenever a person acts in the capacity of an NVOCC as to any ship-

ment, such person shall not collect compensation, nor shall any underlying ocean common carrier pay compensation to such person, for such shipment.

(i) *Compensation; beneficial interest.* A licensed freight forwarder may not receive compensation from a common carrier with respect to any shipment in which the forwarder has a beneficial interest or with respect to any shipment in which any holding company, subsidiary, affiliate, officer, director, agent, or executive of such forwarder has a beneficial interest.
